SKILLS & TOOLS

User flows · Wireframing · UI design · Prototyping
Design systems · Developer handoff · Design team management

Công Trung

SENIOR UI/UX DESIGNER

PROFILE

I design clear, easy-to-use web and mobile products. I work with teams in Japan and Vietnam, from user flows and UI to design systems and developer handoff.

WORK EXPERIENCE

Freelance

2026–Present

UI/UX Designer

Design web and mobile products, from user flows to final UI.

Napa Global

11/2018–08/2026

Senior UI/UX Designer / Design Team Manager

- Designed web and mobile products for Japan and Vietnam.
- Created user flows, wireframes, UI and reusable design systems.
- Worked with developers to prepare designs for implementation.
- Managed the design team, reviewed work and supported junior designers.
